For the property Strata Corporation or Equity Co-op Authority:

The CleanBC Better Homes Energy Savings Program Condo and Apartment Rebate (the “Program”) provides enhanced rebates to income qualified homeowners and tenants for energy-saving home upgrades. The Program aims to help make life more affordable, improve the quality, comfort, and resiliency of homes, save energy, and reduce greenhouse gas (GHG) emissions. Eligible upgrades include heat pumps and heat pump water heaters. Rebates cover approximately 50-85% of project costs and are paid directly to Contractors, who will deduct the rebate(s) from the Participant’s invoice.
