

# CleanBC Home Efficiency Rebates

## Terms and Conditions for Eligibility for Double the Rebate

Effective date: for invoices dated on or after October 1, 2020 accessing Double the Rebate

For a limited time, the Province of British Columbia as represented by the Minister of Energy, Mines and Low Carbon Innovation (“the Province”) is offering double the rebates on select upgrades (the “Promotion”) as part of CleanBC Home Efficiency Rebates (the “Program”) subject to the regular Program rebate requirements and terms and conditions, available at <https://betterhomesbc.ca/rebates/double-the-rebate/> and the additional terms and conditions set out below:

1. **Administrators:** The Promotion is being administered by British Columbia and Power Authority (“BC Hydro”) and FortisBC Energy Inc. and FortisBC Inc. (collectively, “FortisBC”) on behalf of the Province.
2. **Registration:** An applicant (the “Applicant”) must complete the registration form at <https://app.bchydro.com/hero/PreRegistrationPromo> (the “Form”) between October 1, 2020 and March 31, 2021 to be eligible for the Promotion. Upon submission of a completed Form, the Applicant will receive a promotional code (the “Promo Code”) via email, to be used by the Applicant when applying for the Promotion.
3. **Term and Completion of Promotion Work:** The Promotion is available for upgrades under the Program (the “Promotion Work”), and the Promotion Work must be completed between October 1, 2020 and June 30, 2021 (the “Term”). All invoices for the Promotion Work must be dated no later than June 30, 2021.
4. **Eligible Rebates:** Only Promotion Work is eligible for the Promotion. Rebate requirements for eligibility upgrades that qualify as Promotion Work are available at:
  - a. [www.betterhomesbc.ca/double-the-rebate](http://www.betterhomesbc.ca/double-the-rebate)
  - b. Renovations under the Program that are not Promotion Work may remain eligible for the regular Program rebates.
5. **Application Term:** Applicants will have until December 31, 2021 to submit their completed application, including all invoices for the Promotion Work, in order to receive the Promotion rebate. Applications must include the Promo Code. Applications submitted after December 31, 2021 will not be eligible for the Promotion rebate but may be eligible for the regular Program rebates.
6. **Funding:** Funding for the Promotion is limited and will be paid on a “first come, first served” basis. Applicants may be eligible for regular Program rebates after all funding for the Promotion has been paid out. The Province may at its sole discretion decline to pay a Promotion or Program rebate.
7. **Personal Information:** BC Hydro will be collecting and storing all personal information submitted via the Form on behalf of the Province. BC Hydro is collecting the personal information in furtherance of its energy conservation mandate and objectives under the *Clean Energy Act* and to administer the Promotion. BC Hydro will disclose personal information to FortisBC, including Applicant name, email address, Promo Code, and account number, for rebates administered by
